International Solutions Network, Consulting Company (ISN) and Finetiq Limited (Finetiq) Announce Global Collaboration

Companies partner to offer suite of global services to their clients.

Tokyo and London — 26 February, 2019 — Today, International Solutions Network, Consulting Company (ISN) and Finetiq Limited (Finetiq) announced a new strategic partnership establishing a global collaboration between the two firms. Through this agreement, Finetiq and ISN will collaborate on projects for clients interested in exploring market opportunities in geographic and industrial sectors where ISN or Finetiq can provide local market expertise and advisory services.

Maurizio Raffone, CEO at Finetiq, said “Finetiq’s market knowledge and consulting services in Japan and Asia are well recognized. We are delighted to be working with ISN to help our clients obtain a truly global reach into Europe and North America. Furthermore, we are very excited to be working with ISN’s clients wishing to enter Asian markets.” Miten Amin, Senior Managing Director at ISN, said “Deep knowledge and resources in the Asian market are critical to ISN clients, and ISN is pleased to work with Finetiq to increase our clients’ global footprint. We are equally excited to work with Finetiq clients to advance their global strategies in Europe and North America as ISN continues to broaden its global service capabilities.”
